Do you consider your son/daughter to be able to deal adequately with the stresses imposed by studying the UWC Education Model (with International Baccalaureate Diploma) and engaging in many other activities?

Is there anything else you would like to bring to the attention of the selection committee or the Principal of UWC? Please note the College reserves the right to require an admitted student to leave if there is any failure to disclose a chronic or medical condition.

I have read this application for entry to a United World College made by my son/daughter/ward; we have discussed all aspects of the commitment involved and this application has my full approval. Should the application be successful, I hereby undertake for myself and for him/her to observe the rules and regulations of the College made by the Head and Governors. While my son/daughter/ward is in residence at a United World College, I wish and authorise the College to act as Guardian in my place for decisions involving his or her personal care and welfare.

I understand that under the terms of the United World Colleges' admission policy, parents may be asked to make a financial contribution to the costs of attendance, and if my son/daughter/ward is accepted, I shall make an agreed contribution to the fees. Details of the Fee Remission/Scholarship Scheme are available at <http://www.lpcuwc.edu.hk/how-to-be-involved/scholarships/fee-remission-scholarship-for-2015-entry>.
